THANK YOU SENIORS

Anahi Ugalde Rivera

Anahi has been a manager with our football program for one season. She has found a way to balance both playing volleyball and be a game day manager for us which is impressive. She played an important role filming our games both at home and on the road.

Katelyn Torres

Katelyn is the longest tenured manager in Maryvale Prep athletic history having managed each of the last 3 seasons. She has managed all of our water and practice pads, film, uniforms, and just about everything our team needed. Her energy and dedication to the program will be missed.

Edwin Munoz

Edwin has started 5 games on defense this season and recorded 9 tackles. On the offensive side of the ball he has rushed for 52 yards in 2 games at running back.

Cam McCoy

Cam transferred in as a junior and immediately became one of the best leaders at Maryvale Prep. His commitment to the game allowed him to flip from a running back to a starting quarterback his senior year rushing for 467 yards and 5 touchdowns. On defense he also made a position change to middle linebacker to help the team out. He nearly set the school record against Joseph City recording 13 tackles in the game.

Alex Lopez Badilla

Adrian is the other of the first 4 year varsity letter earner with the Maryvale Prep tackle football program. Until he dislocated his shoulder two weeks ago, he had started every game but one in program history. He has been an anchor on our offensive line having 35 pancakes in his career. One the defensive side, he has been a menace having 63 tackles and 7 sacks in his career. This season he has lined up at running back and rushed 12 times for 104 yards.

ATHLETIC PHYSICALS

DUE BEFORE PARTICIPATION

With a new academic year means new physicals with the 2024-2025 form from AIA. If you DID NOT do a physical in May with Ms. Amanda, then you are currently NOT eligible to start first day of practices when we get back to school. If you did do your physical in May and haven't heard anything from Ms. Amanda about them being signed as not clear then you're good to go. If you did your physical this summer break and have the form completed, please turn it into me ASAP when we return to school officially. If you have NOT done it yet, this serves as your reminder.

Get this done!

PREP ACADEMIC POLICY

Grade Checks

To participate in sports at Maryvale Prep, students will be required to be in good academic standing, as described by the stipulations in the policy below. No Pass: No Play.

1. Eligibility will be determined biweekly for each season. Even weeks students will be notified, odd weeks coaches will be notified. If your student is on the list of ineligibility, they're automatically out for two weeks. Ineligibility is defined as currently having an F overall grade in one or more classes.
2. School Attendance = Practice Attendance. If your student attends school throughout the school day, they are expected to attend practice, except in case of emergency or pre-approved with team coach. As such, if a student does not attend school they are not to attend after school practice.
3. The ineligibility will last for two weeks, regardless of grade changes mid probation.
4. The leadership team will be responsible for verifying eligibility and the AD will communicate eligibility status to coaches, parents, and students.
5. The headmaster can make an exception to this policy for students who have IEP's or 504 plans through the consultation with ESS team and coaches.
6. Ineligible student athletes will still attend practices and games, but not be able to participate in the game until they are eligible again. Ineligible student athletes ARE NOT allowed to wear their uniform or participate in warmups.
7. Ineligible student athletes will participate in Homework Club prior to practice for two-week intervals, as determined at the next grade check.

If you would like more information about the Academic Policy, please consult the Maryvale Prep Family Handbook that can be found [HERE](#).

PREP DETENTION POLICY

Students will have a consequence when having detention and or missing practice with an unexcused absence.

1. Students must serve detentions the day they are issued (except Wed) and CANNOT practice or play that day if they skip out on detention.
2. Students must attend at least ½ of a school day to practice or participate in a game. If the athlete was not at school, then they are not allowed to participate.
3. Students serving detention during an away game day must serve all of the detention time and will need to travel to the game location on their own account. Game play is up to team coach's discretion and not guaranteed even if detention time has been served.

DOWNLOAD THE BAND APP

If you haven't already done so, make sure to Download the Band App and sign up to your team's Band. Each coach will have a specific page dedicated to their team. The Band App is the best place to find answers to team specific questions and to communicate to your athlete's coaching staff. You will be able to find schedules, updates, Coach requests and a lot more all in one spot. All athletic parents are **REQUIRED** to be active on Band App.

SUPPORT YOUR ACADEMY THROUGH OUR ANNUAL CAMPAIGNS!

We are honored to partner with every family, every year, through two annual campaigns: The Community Investment campaign and the Arizona Public School Tax Credit drive. 100% of your gift stays at our academy.

Thanks to your support, we provide our students the education they deserve.

Please note that participation in our annual campaigns is not required to enroll your children at our academy.

COMMUNITY INVESTMENT CAMPAIGN

The Community Investment Campaign directly supports our operating budget.

Covers the gap between what we need to deliver top-tier education and what we receive from public funding. Depending on the district, this gap is between \$1,200-\$4,800 per student.

Helps us support our excellent and dedicated faculty.

Keeps our class sizes smaller for individualized attention.

Enables us to deliver programs like art, music, and foreign language on a daily basis.

TAX CREDIT DRIVE

The Arizona Public School Tax Credit allows Arizona taxpayers to contribute to the public school of their choice and receive a dollar-for-dollar credit on their state income tax return.

Support our qualified extra-curricular and athletic programs, field trips, and character-building programs and keep fees low.

Claim the full credit on your state income tax return.

Married couples filing jointly may contribute up to \$400.

Individuals may contribute up to \$200.

We ask each family to contribute \$1,500 per student per academic year to help cover the gap between what we receive from public funding and what it actually costs to provide our educational model.

Every family's participation, at any level, is vital to supporting our teachers and educational priorities of our academy. 100% of your gift stays at your academy.

Every Arizona taxpayer can take advantage of the Arizona Public School Tax Credit and support our academy.

We ask every family to contribute their Tax Credit and invite their extended network of friends and family to do the same. 100% of each gift stays at your academy.

For families who contribute to both Community Investment and Tax Credit and seek an additional method to support our academy and teachers, the **Teacher Excellence Fund** is an opportunity to direct that support. We recognize that our best teachers have the skills and passion that schools across the country want. The Teacher Excellence Fund was created to reward and retain our teachers. Gifts to this fund directly benefit awards given to Headmaster-selected teachers based on performance, teaching observations, excellence in the classroom, and overall commitment to our core mission.

For additional information on or questions regarding any of the above campaigns, please connect with your Academy Giving Manager.
