A message from Headmaster Cruz...

I hope this finds you all doing well. We are moving along well through testing and proud of our students for engaging so well. We cannot wait to see the results and dive deep into the data this summer to prepare for the upcoming year. While these results are only one piece of data, we do use the information gleaned from them as we make academic and professional development decisions. Your commitment to helping your child across the year at home, helps them come testing season, so thank you as well for all you have done to partner.

Thank you to all of you who completed re-enrollment. We will miss those of you who are moving and are excited that the majority are staying here. We have about 10 families who have not completed re-enrollment. If you do not complete this, your current information will automatically go into the system for next year, but all contact information is wiped out. Meaning your child will still have a spot but no information attached to their name. It is important that this is completed ASAP, even if you are still unsure.

In addition to testing, we are gearing up to close out the year with many events. Please note the Key Dates in the newsletter and be on the lookout across the coming weeks for logistics and details.

We look forward to finishing strong!

TEST SCHEDULE AND RESOURCES FOR 3-6 FAMILIES

What will be expected of my student during testing?

- Your student will take a series of tests during the end of March into the month of April:
 - Writing Test
 - ELA Test (2 parts)
 - Math Test (2 parts)
 - Science Test (5th grade only)
 - Reading Fluency Test (3rd grade only)

How can I help my student prepare for these tests?

- Students can prepare at home using test prep features on MobyMax or IXL.
 - MobyMax (3rd-4th): Log in and click on the icon that says "Test Prep and Review."
 - IXL (5th-6th): Log in and click Learning, then click Skill Plans. Choose skills for your grade level under the Arizona Assessments icon.
- Students can walk through sample tests and practice test features using the Student Readiness Tool by clicking on the "Mic Check and Sample Tests" link at az.testnav.com.
 - Here is a direct [link](#) to the student readiness video walkthrough.
- Save the dates for when your student will be testing and make sure they get a good night's sleep (start getting used to the recommended bedtimes below early on), get a good breakfast and maintain proper nutrition (see this [link](#) for best brain foods), and are on time and ready to go (review some of these [fun things](#) you can incorporate at home or on the way to school before and after tests to ease anxiety and have them ready)!
- Have conversations about the importance of doing your best!

How will we motivate students at school?

- We love a good theme and this year our theme is: This test will be a slam dunk!
 - We will be doing fun things ahead of the tests like pep rallies where we hope to bring the excitement, ensuring they feel confident and ready to persevere (like Michael Jordan)
 - We will be giving Mamba Mentality (Kobe Bryant reference) raffle tickets during testing as we see students taking it seriously, showing their work, focusing and not distracting others, taking their time, etc. Students can turn their earned tickets in at the end of testing to win cool raffle prizes (on theme of course).
- We are taking any donations that would motivate our students and celebrate them. If you would like to donate things such as basketballs, cool sneakers, basketball jerseys, Gatorades, basketball draw string bags, etc. please drop them by the Archway Office.**
 - Thank you to those of you who wrote letters to your child at Family Partnership Night to encourage them. If you need a template to do so, please reach out to your child's teacher.
 - We will end the testing window with an on theme party complete with Dunkin' Donuts and lots of fun and a day to wear their favorite basketball jersey's or team shirts and sneakers!

POWERSCHOOL PUBLIC PORTAL FOR EVALUATIONS

We are at the mid-quarter mark. Teachers will begin sending deficiency notices this week via email or by way of a phone call to inform you if your child is receiving a deficient grade (1's and 2's for K-2 and Ds or Fs for 3-6). Please also continue checking the parent portal for student grades every Monday for a more detailed picture of how your child is doing in class.

We will also begin using this data to make final retention decisions. If your child is being retained, you will be informed by the first week of May.

The portal to review progress can be accessed at:
<https://greatheartssaz.powerschool.com/public/home.html>.

THEMATIC GOAL UPDATE: TURNING PAGES TOGETHER

Testing season and the end of the school year can cause increased stress in students.

Did you know that reading reduces stress more than most activities students and adults rely on?

Next time you or your child is stressed, try finding a quiet space with a great book!

BARD COMPETITION

Maryvale Prep congratulates Dariana Lopez Arredondo (4B) as the winner of our 3rd Annual Bard Competition! Dariana will recite her winning poem, Nobility by Alice Cary, in the Great Hearts Final Round which takes place on **Friday, April 11th** at 6:30 in the Marley Center.

We are so proud of Dariana and her hard work and can't wait to cheer her on in the Final Round!

FIELD TRIP FOR 5TH AND 6TH GRADE

Our 5th and 6th grade students have an exciting opportunity to see the performance **THE SECRET GARDEN** in our own Marley Center of the Performing Arts by Southwest Shakespeare Company on **Tuesday, April 15th**.

This on campus performance is considered a field trip which requires parent permission and a payment of \$10.00 to help cover the performance fee. Please complete the permission slip and make payment on [Configio](#) by Monday, April 14th.

MINI MATADORS

The last day of Mini Matadors will be **April 16th**.

Please make arrangements beyond then to plan for on time pick up each Wednesday.

AFTER SCHOOL CLUBS:

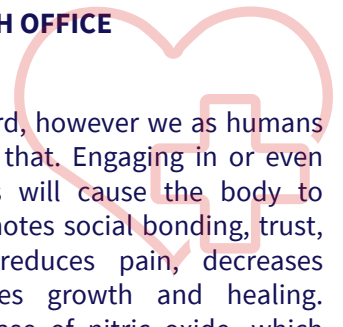

The last week of after school extracurricular clubs for the Spring Season is the week of **April 21st**.

Students will be released as normally through carline or walker gate.

MESSAGE FROM THE HEALTH OFFICE

Why be kind???

The act itself is its own reward, however we as humans benefit from more than just that. Engaging in or even witnessing acts of kindness will cause the body to release oxytocin, which promotes social bonding, trust, empathy, reduces stress, reduces pain, decreases inflammation, and promotes growth and healing. Oxytocin also causes a release of nitric oxide, which reduces blood pressure and improves heart health. Studies show that kindness also boosts serotonin, Dopamine, and endorphins, chemicals in your brain responsible for feelings of well-being, happiness, and pain reduction. As this school year comes to an end, please help us promote health and carry positive memories into the summer by spreading acts of kindness.

IMPORTANT MAY EVENTS

ACADEMIC OLYMPICS

On **Wednesday, May 7th**, we will have our annual Academic Olympics for K-6. At this event, our students compete in teams to share all of their knowledge across various games. If you are interested in volunteering for this event, please reach out to ssidoti@maryvaleprep.com and note your name, your students name, and grade level/section no later than April 30th.

Due to class sizes and competition style games that take up more room, we will not be able to accept all volunteers or have spectators. Spots are limited and volunteers selected must be able to come without additional children/babies as the role is very involved and must be fingerprinted.

VIRTUE ASSEMBLIES

Each year grade level teachers chose one student who has embodied one of the 9 core virtues throughout the year. We will honor these students in our Virtue Assemblies on **Thursday, May 22nd**. If your child is selected, you will receive a special invitation to surprise them with your attendance from Ms. Grado.

6TH GRADE PATHWAYS TO PREP CEREMONY

On **Wednesday, May 14th**, we will celebrate our 6th graders and the milestone of finishing up their Archway Experience as they head towards Prep next school year. Please save the date. Logistics and details coming soon.

KINDER PROMOTION

On **Wednesday, May 21st** we will celebrate our Kindergarten students as they wrap up their first year of this lifelong learning journey. We intentionally call and treat this as promotion ceremony rather than a graduation as we want to instill early on the importance of the long view towards and the importance of graduation and finishing their K-12 journey. Please save the date and note that logistics and details are coming soon.

SUMMER SCHOOL-SAVE THE DATE

We are excited to announce that we will be once again offering an outstanding Archway Summer School program for your children this summer at Maryvale Prep. The Archway program will focus on developing knowledge and skills in the core subjects of reading and mathematics.

Enrollment will open on Configio for all families on Monday, April 7th and the tuition for the Archway program is \$275, due at registration. Our classes will have a capacity of 20 students and will be filled on a first-come, first-served basis. We will be recommending students based on data and student need but all are welcome to sign up.

Summer School will run from Monday, June 2nd – Thursday June 26th. There is no school on Fridays during the summer school program, and no school on Thursday, June 19th, in observance of the Juneteenth holiday. Classes will run from 8:00-11:30 am. Students can arrive at 7:30 a.m. for breakfast and stay until 12:00 p.m. for lunch.

Please note that for the last three years we were thankful to be able to operate at no cost due to grant funding. Unfortunately, that was post COVID funding that is no longer available.

Some families have received an email from Mrs. Kennedy noting that their child was recommended by their teachers to attend. We highly encourage these families to enroll their students early to ensure a spot!"

SUN & FUN Summer

STUDENT DROPOFF

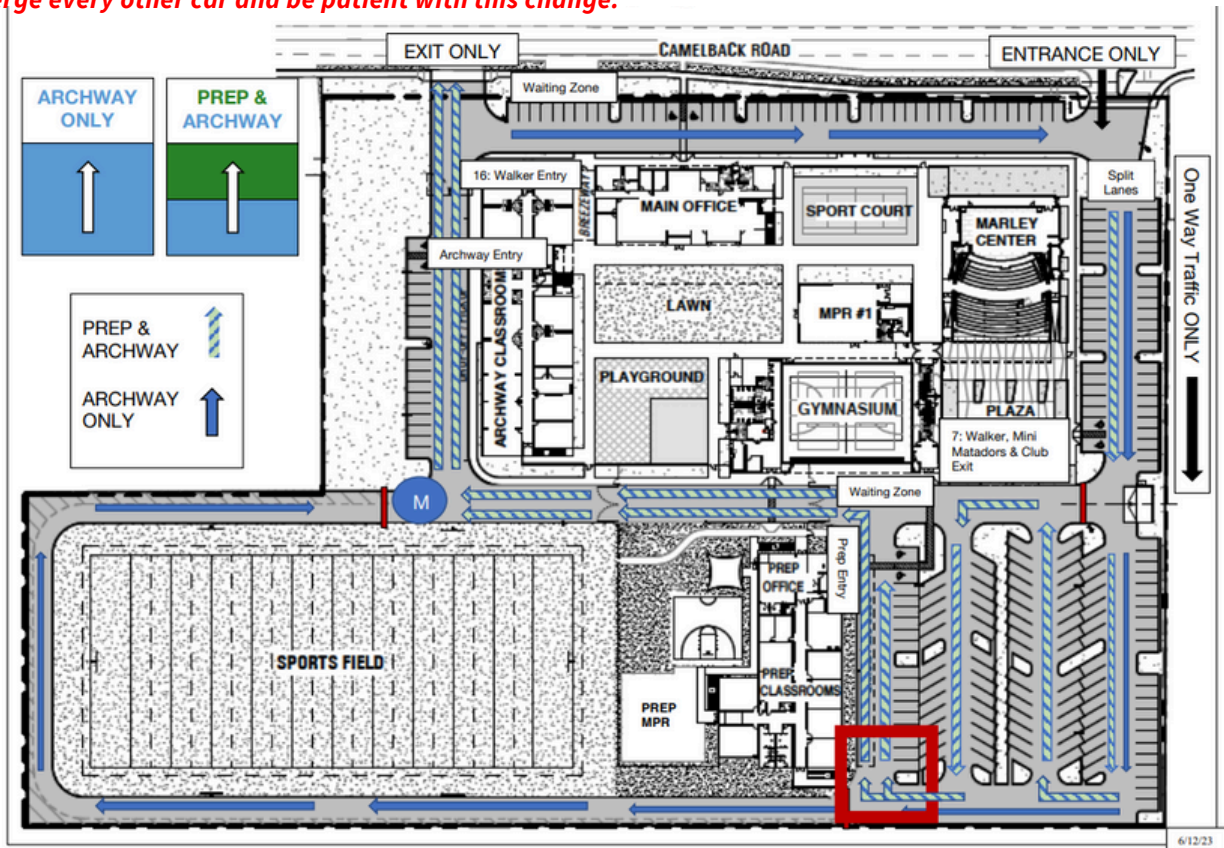

Students should not be dropped off on the side of Camelback Road near or by the campus. This is extremely unsafe and does not follow our student drop off guidelines. The drop-off guideline is to use carline to safely drop off students or park near the school property and walk to school using the sidewalk. Please refer to our family handbook listed in our website for additional information on our guidelines.

CARLINE PICKUP

- The earliest you can enter into carline is 2:30pm on Full Days and at 12:15pm on Early Release Days. This will allow our students & faculty to have a cleared parking lot in the event EMS needs access.
- Have your placard ready for scanning; roll down your window when approaching a staff member that can scan your placard, they will not scan if window is up as this causes delays with window barrier.
- Please keep the East Entrance merge point cleared at all times. Wait to enter until all traffic is cleared.
- Maintain safe parking lot speed of 5 mph.
- Merge point will utilize a zipper merge (1 car per lane).
- The use of cell phones while on carline has slowed us down, and its ultimately unsafe.
- DO NOT record or take pictures of students outside your family.

The PREP ONLY lane (adjacent to the Prep Building) is now open to both Archway & Prep vehicles. This will help cars move quicker since many of our Prep students are walkers or athletes. A faculty member will be outside of Gate 10 directing vehicles into both lanes. Vehicles will be checked into the A/B or right side lane and Archway students will be stationed on the sidewalk on the Archway west side. Archway vehicles need to stay right to collect their student(s) from the correct side. STAY RIGHT if Archway, merge every other car and be patient with this change.

HANDICAP PARKING SPACES

Do not park in a handicap parking space if you or your passenger do not hold a permit. Parking in a handicap spot without the proper authorization is in violation of [ARS 28-884](#). Even if you are in a rush or your visit to the office will take a few minutes, these spots are reserved for our students, parents and visitors with a disability. Violations should be reported

CAMPUS SAFETY

Our campus is equipped with security gates that are armed and required to be closed at all times. These gates are for both vehicles and pedestrians. Access is limited to our Front Office only and we ask that all visits are conducted through these doors and at no times should pedestrian gates be used to exit campus. To ensure carline efficiency and safety, please plan to exit campus with Right Turns only. Camelback Road is very dangerous when making left turns.

Students are allowed onto campus at 7am and all of entrance gates will be opened at this time. Student walkers should adjust their time on campus to reflect the timing of the campus gate openings.

SCHOOL POLICIES

ATTENDANCE

A student that is absent more than ten percent (18 days) of the required number of school days per year is considered to have "excessive absences" whether the absence is excused or unexcused.

This year, we are introducing CUTS LITE Service (Court Unified Truancy Suppression Limited Intervention To Educate). We will follow the following timeline:

- 5 Absences: You will receive the 1st warning letter
- CUTS Lite Conference
- 9-11 Absences: 2nd warning letter
- CUTS Hearing
- Parent Conference/School Intervention

TARDIES

Any student here beyond 7:57 a.m. is considered tardy and **must be signed in by a parent in the front office**. Please avoid any consequences for multiple tardies by arriving on time.

EARLY STUDENT PICK UP

Students who need to be picked up early for appointments must be picked up in the main office **no later than 2:45pm on full days and 12:30pm on half days, NO EXCEPTIONS**. The current Placard with student's name or a valid identification with photo is required when picking up through the office. The student must be signed out with a reason for leaving.

PLACARD FOR CARLINE PICK UP

Placards can be accessed on the Parent Portal at <https://greathearts.schoolaxis.com/> Log in, on main page PICK UP PLACARDS, Select Maryvale Prep Academy, Download and Print, if you cannot locate the placard on your Parent Portal Account, please contact the Front Office. Please note, we will not accept phone images of the placard for student pick up, parents must have the current paper copy of the placard for safety and fast process.

LATE PICK UP

Students picked up after 3:45pm (1:30pm early release), will incur late pick up fees beginning with the second occurrence of late pick-up, families will be assessed a late pick-up fee according to the following fee schedule:

- Up until 4:00pm (1:30 pm early release) = \$5.00 per student
- 4:01 – 4:30pm (1:46-2:15pm early release) = \$5.00 per student + \$1.00 per student, per minute
- After 4:30pm (2:15pm early release) = same fee structure as above + Department of Child Safety phone call

STUDENT WALKERS

If you would like to add your child to the walker list, you will need to do so at least 12 hours in advance of when you want them to begin walking. If you do not receive confirmation, they have not been added and will have to wait until then to be dismissed as walkers. Please note, once on the walker list they must walk daily until they are removed. If you want your child to be on the walker list, please email enrollment@maryvaleprep.org. The same applies if you want them removed. Parents meeting their student walkers must park off campus.

1. Walkers will be dismissed at 12:50 pm on early release days and at 3:20 pm on full days from Gates 6 and 7.
2. On full days, Prep students can wait for their Archway siblings until they are released at 3:20 pm and they can head out to Gate 4 to walk home or meet families together.
3. On Early Release Days, Archway students can wait for their Prep siblings until they are released at 1:00 pm and they can head out to Gate 4 to walk home or meet families together.
4. Students not waiting for siblings as noted, must exit campus immediately.
5. Kindergarten students without 1st through 12th grade siblings must be met by their parent/guardian or authorized pick up personnel right outside of Gate 4.

Students will walk along the sidewalk adjacent to the Marley Center and out Gate 4 to meet their parents. Please refrain from walking through Gate 4 onto campus or crowding up that area to ensure the flow of traffic continues and students do not get lost amongst waiting families.

Please note that signing your child up as a walker is a liability you are taking as they are not supervised or delivered directly to parents. We ask that as parents, you calculate the best option for your family as you consider safety and convenience. Student walkers will be allowed to take their phones out to connect with parents/guardians once they have exited Gates 6 and 7.

DISMISSAL

Due to our school day in sessions and safety precautions arrival for end of day pick up will not begin until 2:30 pm. If you arrive prior to that, please note that you will be asked to exit campus and return after 2:30 pm. Emergency and office business vehicles cannot get onto campus if the school is blocked with waiters.

ARCHWAY MARYVALE

2024-25 PARENT SURVEY RESULTS

78% of Archway families completed this satisfaction survey at the end of Quarter 3. A net promoter score (NPS) is taken from this data. The average NPS for all Archway academies in Great Hearts was 54%. **Maryvale received a 74% NPS rating.** This indicates that 74% of those who took this survey would recommend Maryvale Prep to someone else!

Leadership Satisfaction

Did you know?

Each teacher is assigned a coach from the academic leadership team and in the first three quarters, close to 500 teacher observations and coaching sessions had taken place. Engagement between school leaders and teachers is high and we look at these satisfaction rates as we consider how much we are pushing in. This presence in the classroom and amongst teachers and students is prioritized amongst the Headmaster and Leadership Team.

Teacher Satisfaction

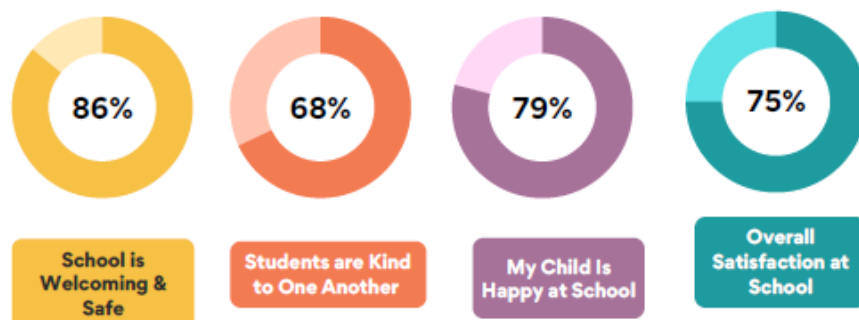

Overall 87% of families reported satisfaction with our academic program. 83% felt the classwork assigned was appropriately challenging and 78% felt homework was just right. While our program is rigorous, we provide many supports and interventions to target each learner where they are. In many grades, we sort groups across classes by skill at various parts of the day. Based on your feedback, we are making adjustments for next year to breakdown student groupings even more to give more attention to those who are at or above grade level as well. We progress monitor students frequently and use the data to make adjustments.

Academics

Our lowest scores and most of your feedback centered around our School Climate, with 75% satisfied overall, we believe this is the area where parents and families can pour in most to help us. While we have many systems in place for campus safety and engage deeply in our approach to moral formation, we would like to see improvement here. Our school leaders and support staff spend much of their time addressing concerns that stem from outside of school, particularly from social media and video game connections between students.

School Climate

In a world where information is so easily shared, it can be challenging to help students discern between what is helpful and what is harmful. Conversations about race, gossip, and other sensitive topics are often influenced by these external forces, yet we have the opportunity to foster an environment where students can learn to engage with one another in a meaningful way - one that is based on respect and empathy rather than division. We need your help and support to make our school climate better! Starting by connecting with your child on what screens are exposing them to and communicating with us will be a good starting place.

2024-25 PARENT SURVEY RESULTS

Parent-Academy Relationship

Across the board, 91% of families were please with academy communications, front office support, and access to student records and grades. This was a 5% increase from last year.

Continue to access our weekly newsletters (sent every Thursday), engage with us on social media, and utilize the parent portal to access grade reports every Monday for 3rd-6th grades.

Exceptional Student Services

We have a high number of students who are receiving exceptional student services and continue to grow. If your child is on an IEP we urge you to communicate consistently with their ESS Coordinator if you are not completely satisfied. It is important to know their general education classroom goals as well as their IEP goals.

Overall, 88% of you are satisfied with the services our ESS team provides to your child!

English Language Learner Services

We are so thankful that the majority of you are satisfied with the services of our ELL students. Please be on the lookout for another invitation to an ELL breakfast to close out the year. We hope that the resources provided to you and the instruction in class continues to meet their needs and provide them with greater language acquisition skills.

91% of families who took this survey indicated that they intend to return to Maryvale Prep next school year. We are thankful for your participation in this survey and want to continue to improve in all areas to best meet the needs of your students. Feel free to share feedback with us across the year so that we can continue to pursue excellence.

Thank You!
