

# MANNY'S MESSAGES

NOVEMBER 2025

## From the Desk of the AD -

I would like to start by saying that I am very thankful for the opportunity to be here at Maryvale Prep and become a part of the Matador Family. Everyone has welcomed me and made me feel like I have been in the community for a lifetime. This makes me work harder for our teams, the program, and to make our entire athletic department more successful. I want to give back everything that is being given to me. I look forward to what the future holds for the Matadors and again I am very thankful to be a part of it!

Some reminders from our Handbook(s) both the Parent-Student and the Athletics, these documents discuss expectations while on campus, during sporting events, and sportsmanship. Let's remember as parents, staff, and/or as adults, we set the standard for how our scholar-athletes will act. Please, let us also remember that Maryvale Prep is a curse free campus and a safe place for everyone. Over the past few games, there has been an increase in the use of harsh language by fans, please remember to be respectful of everyone trying to enjoy the events.

I appreciate everything you all do for our scholar-athletes, our teams, and our programs. More than I can put into words, thank you, thank you, thank you!
