

MANNY'S MESSAGES

February 12, 2026

From the Desk of the AD -

I cannot believe we are starting spring sports already?! Where did the year go? Everything has flown by so fast; it is amazing how much we have accomplished in such a short amount of time. High school sports started this week and middle school will begin next Tuesday and before you know it we will be playing games and those seasons will be over. I cannot express my appreciation for everyone involved in our athletics programs and their successes this year, thank you.

As we move into our spring season, some reminders from our Handbook(s) both the Parent-Student and the Athletics, these documents discuss expectations while on campus, during sporting events, and sportsmanship. Let's remember as parents, staff, and/or as adults, we set the standard for how our scholar-athletes will act. Please, let us also remember that Maryvale Prep is a curse free campus and a safe place for everyone. During the winter season, there was an increase in the use of harsh language by fans, and an increase in higher level fouls/penalties assessed on players and coaches. Please remember to be respectful of everyone involved and trying to enjoy the events.

I appreciate everything you all do for our scholar-athletes, our teams, and our programs. More than I can put into words, thank you, thank you, thank you!

– Coach Jones, djones@maryvaleprep.org

Upcoming Games
