

BACK TO SCHOOL

Maryvale Preparatory Academy

6th Grade Curriculum Information

CLASS SCHEDULE

6A/6C

8:00am – Mathematics

9:30am – Break

9:50am – Science

10:30am – Specials

11:10am – Lyceum

11:45am – History

12:30pm – Lunch/Recess

1:00pm – Specials

1:40pm – Literature/Composition

3:00pm – Dismissal

6B/6D

8:00am – Literature/Composition

9:30am – Break

9:50am – History

10:30am – Specials

11:10am – Lyceum

11:45am – Science

12:30pm – Lunch/Recess

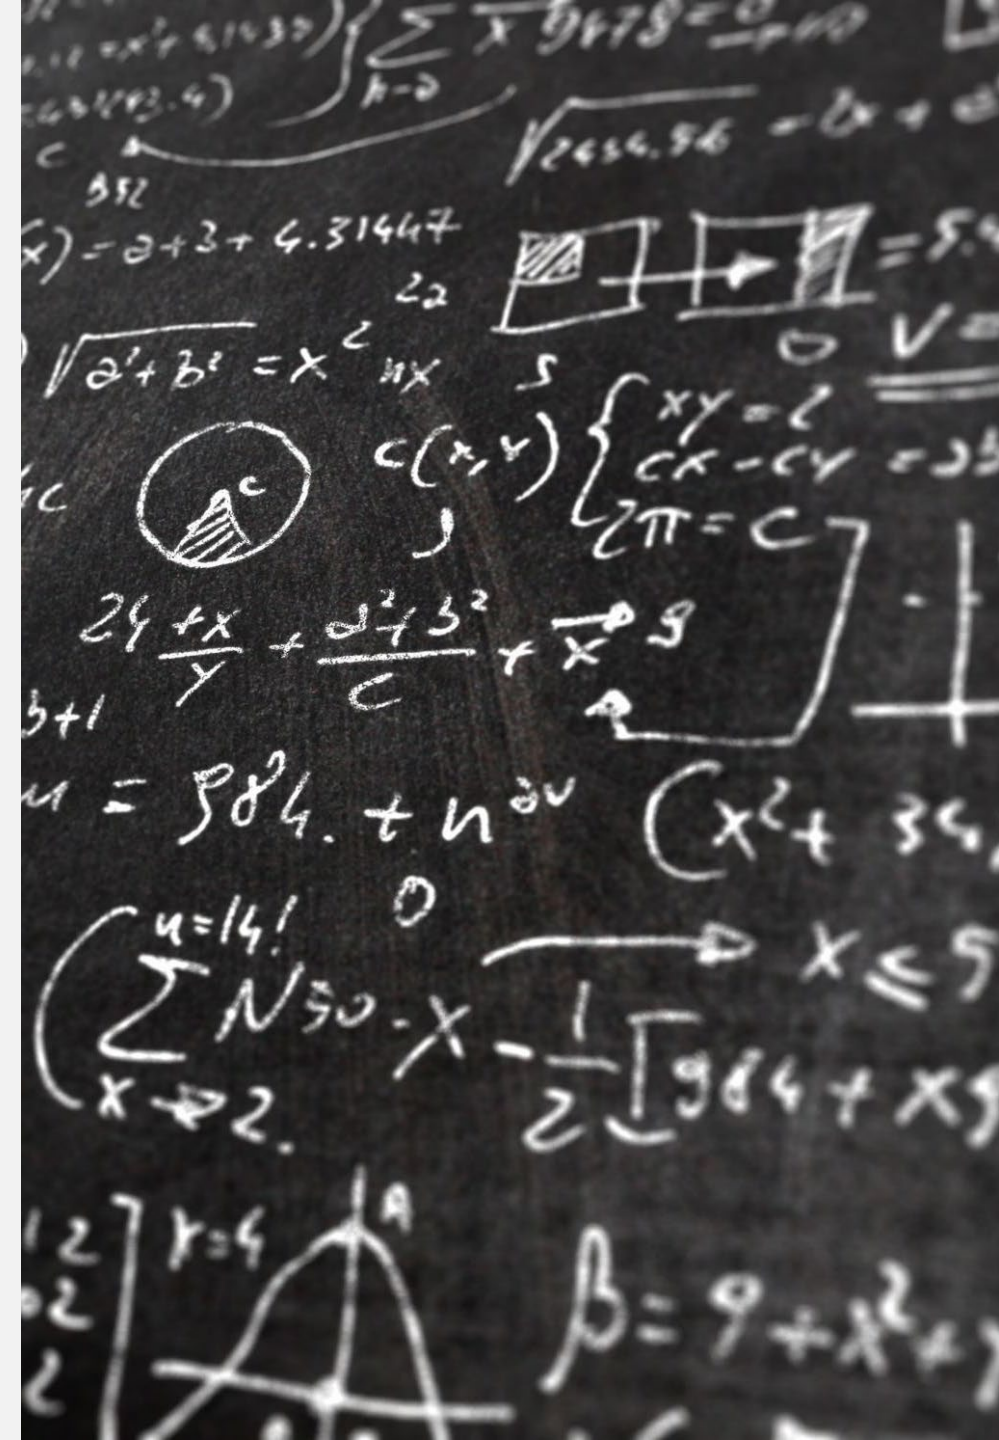

1:00pm – Specials

1:40pm – Mathematics

3:00pm – Dismissal

6TH GRADE TEACHERS

- 6A & 6B
 - Math/Science: Mr. Rivera
 - ELA/History: Ms. Parra
- 6C & 6D
 - Math/Science: Mr. Ramirez
 - ELA/History: Mr. Robles

SPECIALISTS

ART
MS. ESCOBAR

POETRY
6A/B MR. RIVERA
6C/D MS. PARRA

PHYSICAL EDUCATION
COACH HERRERA

LATIN
6A/B MR. RAMIREZ
6C/D MR. ROBLES

CARNEGIE MATH

INSTRUCTIONAL SEQUENCE

Engage

Activate student thinking
by tapping into prior
knowledge and real world
experience

Develop

Build a deep
understanding of
mathematics through a
variety of activities

Demonstrate

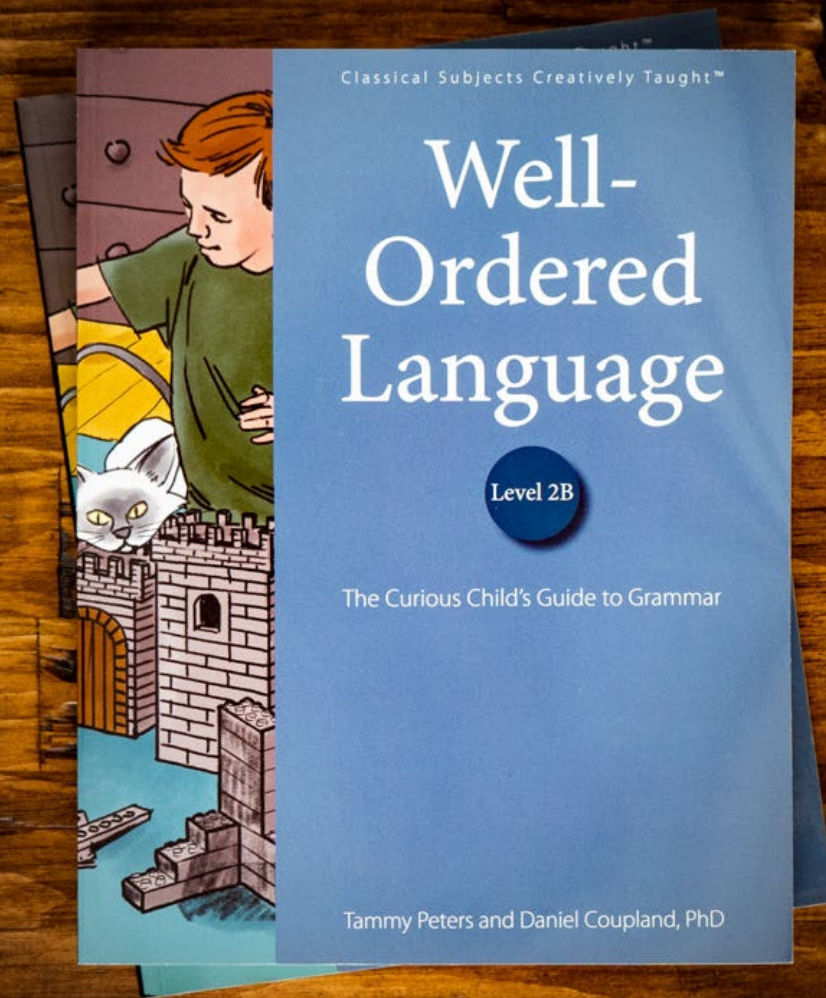

Reflect on and evaluate
what was learned

Course Modules: Composing and Decomposing, Relating Quantities, Determining Unknown Quantities, Moving Beyond Positive Quantities, and Describing the Variability of Quantities

READING AND LITERATURE

- Classics to Keep:
 - Shane – *Jack Schaefer*
 - Johnny Tremain – *Esther Hoskins Forbes*
 - The Wind in the Willows – *Kenneth Grahame*
 - Anne of Green Gables – *Lucy Maud Montgomery*

GRAMMAR, WRITING, AND POETRY

- Grammar: Well-Ordered Language teaches students the skills of identifying parts of speech and diagramming sentences.
- Writing: Students learn how to create outlines to organize their thoughts.
- Poetry: Students analyze, memorize, and recite poems throughout the year.

HISTORY AND SCIENCE

- History Units

- American Revolution
- The War of 1812
- The Civil War
- Industrial Revolution
- The Great Depression
- World War I and World War II
- The Civil Rights Movement

- Science Units

- Ecology
- Plants and Fungi
- Genetics
- The Scientific Method
- The Sonoran Desert
- Animal Classes

A close-up, shallow depth-of-field photograph of a computer keyboard. The central focus is on a dark, rectangular key with a white 'X' symbol. To its right, a portion of a key with a white vertical bar is visible. The background shows other keys in soft focus. A white rectangular box with a thin border is positioned in the lower-left quadrant, containing the word 'LYCEUM' in white, uppercase, sans-serif font.

LYCEUM

- Each day, students will engage in teacher-led practice or using a computer-based program called IXL to better their ELA and Math skills. We recommend that students sign onto their IXL account at home as well for additional practice.

MORAL FORMATION

9 Core Virtues

- Friendship
- Honesty
- Integrity
- Citizenship
- Responsibility
- Perseverance
- Courage
- Wisdom
- Humility

Our 9 core virtues are highlighted in literature discussions, during Community Building time each week, and students can be nominated for displaying these virtues in class.

If students are in need of behavioral and emotional support outside of the classroom, they can visit the Restoration Space or the Sensory Room. Ms. Grado, our Dean of Students, and Ms. Acosta, our Social Emotional Learning Coordinator, are here to support our students. Additionally we have a full time school counselor.

GRADES

- Students are assessed within each subject area and given letter grades.
- **Letter Grades Assessment Scale**
 - **A** - 90 – 100%
 - **B** - 80 – 89%
 - **C** - 70 – 79%
 - **D** - 60 – 69%
 - **F** - 50 – 59%
- Tests/Quizzes – 40%
 - Unit Assessments by Subject
- Participation – 30%
- Homework/Classwork – 30%

HOMEWORK EXPECTATIONS

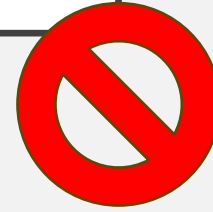

- Homework Folder: Your student will have a folder designated to hold their homework that they will bring home each day. Please check this daily for homework, classroom communication, and any returned student work.
- Homework Pages: Please ensure your student completes all pages for the day and brings them back to school.
- Reading Annotations: For each assigned reading, students will need to mark their books by boxing new characters, circling new vocabulary words, and adding questions, predictions, or connections in the margins.
- Agendas: After you ensure your student completes all their homework for the day, please sign their agenda.
- Late Work: If your student does not complete or turn in their homework, they may turn it in the following day for partial credit.

PARENT ENGAGEMENT & SUPPORT

- Parent engagement and involvement spurs academic success. Please ensure that aside from homework, your children are reading high-interest books with expansive vocabulary and annotating both their homework readings and reading for enjoyment.
- Save the date for our Family Partnership Nights! During these events, we will strengthen our home-school connection and provide meaningful data and resources that will help you support your students' academic growth at home. More information to come! [Save The Dates: Wednesday September 9th and February 10th](#)
- Traditional one-on-one Parent Teacher Conferences will also happen in October where teacher and parents will discuss comprehensive student performance and key levers.
- All students will have an IXL account and we encourage them to log in every week to practice math and ELA concepts which will help them prepare for benchmark and statewide assessments.
- Minimize screen time or provide them with educational alternatives.
- It takes a village, let's partner and watch our students grow!

LOCKERS

26-27 THEMATIC GOAL: BUILDING BACKGROUND KNOWLEDGE

Truth:

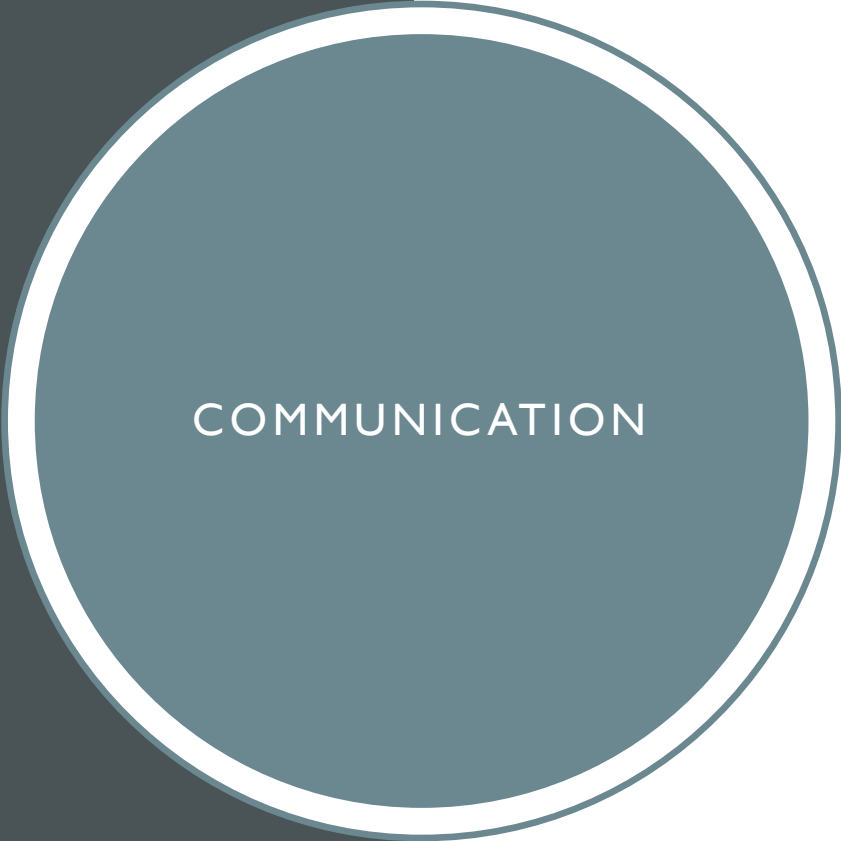

The more students know, the more they can discern what is true.

Goodness:

The more students know, the more they can understand what it means to live well with others.

Beauty:

The more students know, the more they can appreciate beauty.

COMMUNICATION

- A monthly newsletter will be sent out at the beginning of each month with any classroom information you may need to know such as upcoming tests, reminders of important dates, and classroom wish-list items.
- You will receive quarterly grade reports for your student as well as progress updates throughout each quarter as needed.
- Parent-Teacher Conferences will be held in October for every student and January for requested students.
- You may contact your student's teacher using the contact information they provide.
